Maternal, Infants and Early Childhood Home Visiting Programs: Healthy Families-TIP, Parents as Teachers and Nurse Family Partnership Home Visiting programs for pregnant mothers and/or parents with infants. *Because babies don't come with instructions*, home visiting programs are designed to promote healthy pregnancies, teach parents how to form healthy bonds with their babies, to interact in developmentally appropriate ways, and to provide safe homes for their children. Home visitors also partner with parents to nurture children's literacy skills and improve school readiness, including early screening and detection of developmental delays. The overall goal of the Home Visitation Initiative is to improve the physical and emotional health and well-being of infants, children and families in New Jersey by providing community-based education and support to parents and families in their homes. Families and/or providers may call [856-881-8689](tel:856-881-8689) to access program services.
